

IMPORTANT HERITAGE FESTIVAL INFORMATION
October 11th and 12th 2008

1. Crafters: We will be on the Common for early set-up from 4 to 6 PM on Friday. **Please do not arrive early; we may not be finished lining the spaces!** We will also be on the Common at 7:30 AM on Saturday morning.
2. Festival hours are 10 AM to 4 PM each day. You are expected to be there during these hours. No exceptions PLEASE.
3. Do **NOT** park on the grass of the Common to unload your craft items and display. No vehicles are to be in the craft area during the festival. Streets will be blocked off to vehicular traffic in the festival area.
4. Please ask a craft official where to park; last year's parking created problems. Please limit yourself to **one vehicle per craft site**. We can no longer accommodate camper vehicles in the parking area across Route 30.
5. Due to the limitations of our septic system **ONLY** crafters will be permitted to use Union Hall. You must wear your crafter identification. Visitors should use the Porta-Potties near the Common.
6. One of the mainstays of the Heritage Festival is our Super Raffle, in which over 100 items are raffled off at a Chinese auction. Participation in our Super Raffle will provide an excellent showcase for your work during the festival. We appreciate all donations. A map showing where crafters are located will be displayed in the Super Raffle area.
7. A church sponsored "DELI" will be open both days during festival hours. There will be a wide variety of hot and cold gourmet items to tantalize your taste buds.
8. If you need help with housing let us know. We'll send a list of motels and campgrounds in the area. Get your reservations in early, this is a very busy week-end.
9. As you old timers know, the weather is very unpredictable in October. Please come prepared for rain and cold, and remember that we cannot supply you with tables, chairs, electricity or protection from the weather.

Please carry out everything you bring in (cardboard, bubble wrap, paper, etc.)
